DESTINATION WEDDINGS AT RESORT LAC STE-MARIE

Alain Decelles first came to Lac-Ste-Marie in 2002 while visiting with his wife. The couple needed a large space to gather all of their family and friends to celebrate their 25th wedding anniversary. When they found the old farm and purchased the property in 2010, they decided to renew their vows in a tent right beside the barn. After their celebration, they realized that they could recreate special events for other couples to enjoy their special day. An extension was added to the original barn creating the perfect rustic waterfront venue for weddings, retreats or fun events at any time of the year.

Alain knew he had to share this scenic piece of paradise with as many people as he could. He pledged not to destroy the heritage farm buildings, thus, the 4,500 sq ft barn was restored and integrated into a 3-story, 7,500 sq ft complex, finally able to accommodate large ski groups, wedding parties and anyone looking to spend an unforgettable time in this unique setting.
